

Thank you for your inquiry into a recruitment video from *Streamline Sports Video*. I would also like to congratulate you in taking an interest in the college recruitment process. As I'm sure you may have experienced, it's an exciting world that offers many opportunities for young athletes to succeed.

Streamline Sports Video has been in business since 1997 offering high school students the best in recruitment videos and video services. Through recruitment videos, *Streamline Sports Video's* goal is to help athletes gain the competitive edge in the race for college scholarships.

Although we are not a professional recruiting service *Streamline Sports Video* utilizes proven techniques and high quality equipment to ensure that the videos will "sell" the athlete to potential recruiters. A recruitment video is only one part of the college scholarship game, but it is still a vital element.

Shrinking recruitment budgets have forced many collegiate coaches to rely on videotape as the primary means for viewing prospective athletes' skills and talents. "Send us some game tape," is a phrase employed by many college coaches. Unfortunately, many high school athletes don't realize that sending raw game footage to college coaches can be a detriment-not an asset. Collegiate coaches get hundreds of tapes every year; many of them poorly organized. These tapes quickly become discarded and as a result, the athlete has lost another opportunity to "show off" their talent. *Streamline Sports Video* cuts through the clutter and effectively highlights the prospective athletes' skills to coaches.

Enclosed you will find a packet to get yourself started in the process of having *Streamline Sports Video* create your recruitment video. If you have any questions, please don't hesitate to contact us at 303-263-0649 or info@streamlinesportsvideo.com and I will be more than happy to help you.

Sincerely,

Derek Tetlow

INSTRUCTIONS FOR FILLING OUT FORMS

1) Contract

- Read the contract fully and initial in the spaces provided.
- Write in the price of your package (this price does not include extra copies or sales tax) that you get off of the provided price list. Choose Value, Silver, or Gold.
- Athlete should sign the contract along with the signature of the parent or legal guardian if the athlete is under 18 years of age.

2) Item Checklist

- Check off the items as you gather them to give to *Streamline Sports Video* for use in making the video. You will receive these items back at the completion of the contract.
- Make sure you fill in the total number of videotapes that you provide to *Streamline Sports Video*.

3) Highlight Log Sheet

- If you are shooting the personal greeting yourself, use a new videotape, give the tape a number, and write the “time start” and “time end” in the spaces provided.
- When shooting your greeting, stand in front of a lightly colored background and **PRESS THE RECORD BUTTON ON THE CAMERA AND WAIT 5 SECONDS BEFORE SPEAKING** (this makes it easier to edit and many video cameras need a few seconds lead time to establish a clear recording). Make sure you speak slowly and clearly while looking into the camera. Also, speak up so your camera will get a good recording if you are a fair distance away. Also, **DO NOT RECORD YOUR GREETING AT THE BEGINNING OF THE TAPE OR DVD** – this makes it very hard to edit the greeting. Start your recording at least 30 seconds into the tape/DVD.
- **Your greeting should be no longer than 30 seconds.**
- Here is a sample script of a personal greeting:

“Hello, my name is _____. I’m a (*height or weight if applicable for your sport*) (*year in school*) (*position*) for (*your high school*) in (*city & state*). I have been playing (*your sport*) for (*number*) years and I also play for (*name of club or organization*). Aside from playing (*your sport*), I also enjoy (*hobbies or interests*). This tape contains skills (*do*

not say “skills” if you are choosing the Value package), highlights, honors and awards, and one game. I’m very interested in playing collegiate (your sport) and I hope you enjoy this video. Thanks!”

- Before you start logging your videotapes, place a number on each videotape using a ballpoint pen or felt tip marker, and rewind all tapes to the beginning (not necessary to rewind with mini-dv or digital videotapes).
 - Every time you place a videotape in the machine to log, make sure the tape is rewound to the beginning and the counter reads 0:00:00.
 - Record only a **maximum** of 20 highlights for a Value package and 25 highlights for a Silver or Gold Package on the provided form. **Any more highlights than these specified maximums will not be accepted.**
 - When choosing game footage, you may use one game, or two halves from two different games, or four quarters from four different games. **If these games need to be changed (after it has been logged and submitted to *Streamline Sports Video*), additional charges may apply.**
 - When you log in the times of your highlights, it is suggested that you make a copy of the log sheet or use a scratch piece of paper to record the initial times. Your highlight times only need to be accurate by a few seconds and not precise. When you have this done, transfer the times onto the highlight log sheet and write clearly and legibly. If you make a mistake on the final copy, please use white out. You may also type in the information if you so prefer. Highlight descriptions and times must be written on the form provided by *Streamline Sports Video*. **Any other type of form will not be accepted.**
- 4) **Skills Log Sheet** (Silver Package Only)
- Fill out this sheet the same way you would the *Highlight Log Sheet*.
 - Record only 5-7 good repetitions of each skill on the log sheet.
- 5) **Personal Information Sheet**
- Fill out this form as legibly as possible and make sure all the information is correct and accurate to the best of your knowledge.
 - Fill in as much information as you possibly can, even if you are not sure whether or not it pertains to your particular sport. It’s much better to provide this information even if it’s never used.

If you have any additional questions, please contact *Streamline Sports Video* at 303.263.0649 or info@streamlinesportsvideo.com
